Our new Glamour Collection has an air of compelling charm of old Hollywood, romance and excitement. Lush fabrics, silky-soft furs and stunning vintage-style chandeliers really set off the theme. Hollywood is known for its excesses isn't it? Classic lines and small touches of silver and gold are all that's needed for your event that could be straight out of 1950s Hollywood.

Inspired by Tuscany, French Countryside, and the laid-back farms and wineries of Sonoma County, The Napa Collection evokes the natural and rustic beauty of the vineyards of California's Napa Valley. This collection features rustic wood communal tables and metal factory chairs juxtaposed against a canvas of natural wood Louis XV seating, summer linen upholstery, and exposed wood-framed sofas.

Inspired by the infamous 21 Club of New York, Chicago's Green Door, and other speakeasies of the early 1900's, our Speakeasy Collection will bring you and your guests back to the Prohibition in style and form. This collection features chestnut tufted leather seating and banquettes, wood communal tables, and an array of period seating.

Inspired by its meaning “Love,” our Rose Gold Collection was conceived. The marriage of the two precious metals, Gold and Copper, create a warm metallic color tone in our DININGchairs, barstools, tables, and accent pieces.
