THE GLAMOUR COLLECTION

Our new Glamour Collection has an air of compelling charm of old Hollywood, romance and excitement. Lush fabrics, silky-soft furs and stunning vintage-style chandeliers really set off the theme. Hollywood is known for its excesses isn't it? Classic lines and small touches of silver and gold are all that's needed for your event that could be straight out of 1950s Hollywood.

TIFFANI COLLECTION

Our Tiffani Collection is inspired by an iconic robin's egg hue and the grace and eternity of romance. Using our own robin's egg blue as our canvas and Swarovski elements on several pieces, we have designed a collection to "wow" your guests with an array of iconic styles, ranging from Art Deco, transitional, to mid-century modern.
